### Broadmoor Golf Shotgun Start

Be one of the first to golf at the Broadmoor's newly renovated championship Mountain course, a Jack Nicholaus course. Working in collaboration with Nicholaus Design, the Broadmoor has created a wonderfully scenic and playable golf course that gives the appearance that it has been in place since the creation of the property in 1918. The renovated

Mountain Course plays to a maximum of 7,700 yards, par 72. The course features wide, forgiving fairways and large greens with beautiful vista views.

Please be at the golf course by 1:45 p.m. in order to be in position for a 2:00 p.m. shotgun start. Foursomes will play 18-holes in a scramble format. In a scramble, every player hits, a favorable ball is selected and each player hits his or her next shot from there (and so on) until the ball is holed. The fee for golfing is \$180, paid in advance of the conference, and includes club storage, golf cart, greens fees and range access. Must be registered and paid by July 25 in order to golf. Cancellations received after July 25 may not be refunded for golf fees.

The Broadmoor requires that all gentlemen wear a shirt with a collar, bermuda length shorts and soft spikes. Ladies must wear resort length shorts or skirts, casual tops (collar optional) and soft spikes. Pants and soft soled athletic shoes are also acceptable for both ladies and gentlemen. Bare midriffs and denim clothing are not acceptable attire for any golfers on the course.

The Broadmoor can provide rental clubs and rental shoes, which will be billed to your credit card on the day of play. If you request either of these in your registration, please make time to stop by the Pro Shop to pay for these items before beginning your round of golf, as they are not included in the golf fee. Rental clubs are Callaway X-14 Graphite Irons and Callaway Stealhead

Woods costing \$59, which includes a sleeve of Titlelist golf balls. Rental shoes are produced by Footjoy Shoes and cost \$25. Reservations for rental clubs or shoes may be cancelled at any time prior to beginning play. Beverages and snacks may be purchased from the beverage cart on the course or in the clubhouse.

Please note that those who wish to bring their own golf clubs may have them delivered to the Golf Club upon checking into the Broadmoor. Golf Club employees will tag, clean, store and pre-position the clubs on the golf cart before the scramble begins. Those who request rental clubs will also find their rental clubs on the golf cart before the scramble begins.

During registration you will be asked for a preference in golfing

companions. We will make every effort to accommodate these requests; however your best guarantee to play with the foursome of your choice is to consult with all of the players in advance so that all players request the same individuals. Those who do not have preferences for a complete foursome will be assigned a group that best balances the level of play for the team.

The Golf Club is located south of the Broadmoor's main building.

### **U.S. Olympic Complex Tour**

Colorado Springs is the headquarters of the U.S. Olympic Committee, which inhabits a complex including the Olympic Visitors Center, the U.S. Olympic Hall of Fame Rotunda, the Olympic Spirit Store and one of the U.S. Olympic Training Centers. As a special treat, the Court is attempting to arrange for the group to be accompanied by an Olympic athlete-in-training at the U.S. Olympic Training Center, who will share an athlete's perspective on the facility and the Olympic Movement. (There may be a nominal charge.) The tour begins with a 12-minute film, and includes visits to the Hall of Fame, the Sculpture Garden and the rooftop terrace, which holds an Olympic flame display and a panoramic view of the entire complex. Visitors will also have the opportunity to view athlete training facilities during the 45-minute tour. The tour spends nearly 70% of the time outdoors, so please dress for the weather.

The group will meet at the entrance to the Visitors' Center of the U.S. Olympic Complex at 2:10 p.m. to gather for the 2:30 p.m. tour. Currently, there is no fee for the tour; however you will be notified if a fee is added. There is a ten-person minimum for this tour.
